TEAM HYBRID

The background of the slide is a vertical rectangular panel with rounded corners. It features a sunset scene over the ocean. The sun is a bright orange circle on the horizon, with its light reflecting on the water. The sky is filled with orange and yellow clouds. On the right side of the panel, there is a large, colorful paint splash in shades of orange, red, and yellow, with many small droplets and splatters. The overall mood is energetic and inspiring.

The athletes who compete at the highest level, and stand for far more than results.
